

THE UNIVERSITY OF HONG KONG

June 25, 2019

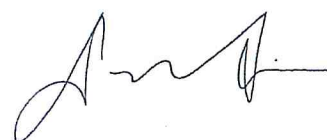

Dear Sir/Madam,

It is my pleasure to inform you that The University of Hong Kong (HKU) has set up various Fellowships and Scholarships for outstanding students from universities all over the world who would like to pursue full-time PhD studies at HKU. For example, the Hong Kong PhD Fellowship awards an amount of HK\$25,800 (US\$3,300) per month plus conference and research-related travel allowance of HK\$12,900 (US\$1,650) per year to selected full-time PhD candidates. All full-time MPhil and PhD students who hold a first degree with second-class honours first division (or equivalent) or above are normally considered eligible to receive a Postgraduate Scholarship of at least HK\$199,920 (US\$25,630) per year during the normative study period. Candidates' results in Master's degrees may also be considered.

Enclosed please find 3 copies of posters, leaflets and bookmarks with details of the Fellowships and Scholarships for you. I would be grateful if you could please consider posting the above materials at your University's international office, library or anywhere suitable to let the students in your University know about the Fellowships and Scholarships for MPhil and PhD Studies. If you have further queries, please do not hesitate to contact us at gradsch@hku.hk. We look forward to receiving applications from the students of your University.

Thank you in advance for your kind support.

Yours sincerely,
