Thessaloniki, Greece, 14-16 December 2007

INVITED SPEAKERS

Martin Bygate, Lancaster University, UK

Bessie Dendrinou, University of Athens, GR

Glenn Fulcher, University of Leicester, UK

David Little, Trinity College, University of Dublin, Ireland

Carmen Muñoz, University of Barcelona, Spain

CALL FOR PAPERS

THEMATIC AREAS: Language Teaching and Learning, New Technologies in Education, First and Second Language Acquisition, Lifelong Education.

The Conference will also host a special thematic event on **Assessment and Evaluation of Language Proficiency**.

OFFICIAL LANGUAGES: Greek, English, French.

PROCEEDINGS: Selected papers of the conference will be published.

PRESENTATIONS

Presentations will be 20 minutes long followed by a 10-minute discussion.

ABSTRACTS

Form of abstracts

Abstracts should be **anonymous**, **300-500** words long. They can include references but should not contain bibliography. At the end of the abstract the thematic area should be stated and a maximum of six **key words** should be supplied.

Submission

Please submit an abstract as a **PDF** file. MS Word is acceptable if the abstract contains no special fonts. Only electronic submissions will be considered. Send all your information - title, author(s)' name(s), affiliation, author(s)' postal and e-mail

address(es) - in the body of the message and attach the abstract without personal details.

Deadline of submission of abstracts: **Extended to 15 April 2007**

Notification of acceptance: **30 June 2007**

Email: galaconf2007@enl.auth.gr

More information on registration, accommodation etc. will appear on the following website as it becomes available.
